✠ SUBJECT INDEX ✠

Volume 9 2003

accidental falls
fall risk assessment tools 223
acute care services
consumer participation in acute care 255
acute care
elderly patients' nursing needs 191
adult critical care
restoring critical care patients' health 356
advanced nursing practice
restoring critical care patients' health 356
aged care
nursing issues in residential care 103
university and industry partnerships 347
aged
oral hydration in older adults S19
agitation
nurses' views of agitated older patients 306
asthma
parenting competency framework 368
attitudes
family carers training in Indonesia 246
Australia
support for new graduates 300

best practice
quality improvement and nursing practice 280
Birthrites
women's experiences of Caesarean section and vaginal birth after Caesarean 10
burnout
psychological status of nurses in Egypt 313
business nurses
a Delphi study of nurse entrepreneurs 236

Caesarean section
women's experiences of Caesarean section and vaginal birth after Caesarean 10
cancer
rural people treated with radiotherapy 176
care planning
quality-of-life in elderly care 112
caring
person-centred practice and older people 202
childbirth experiences
women's experiences of Caesarean section and vaginal birth after Caesarean 10
Chinese patient
quality of life in Chinese cancer patients 40
choice
women's experiences of Caesarean section and vaginal birth after Caesarean 10
chronic disease
effects of sleep loss: Nursing care model 49
chronic illness
parenting competency framework 368
chronic thromboembolic pulmonary hypertension
pulmonary thromboendarterectomy in the UK 60
client satisfaction
consumer expectations of residential aged care 70
clinical guidelines
pressure ulcer prevention and treatment 92
clinical judgement
fall risk assessment 158
clinical supervision
group model of supervision for a community mental health team 33
clinical trials
principles of recruitment and retention 338
cognitive anxiety
effects of sleep loss: Nursing care model 49
collaborative research
university and industry partnerships 347
commitment
university and industry partnerships 347
competencies
factors influencing nursing status 328
consensus
pressure ulcer prevention and treatment 92
consumer participation
consumer participation in acute care 255
continuity
women's experiences of Caesarean section and vaginal birth after Caesarean 10

control
women's experiences of Caesarean section and vaginal birth after Caesarean 10
coping
job stress, coping and health of nurses 86
coronary artery disease
effects of sleep loss: Nursing care model 49
cultural determination
factors influencing nursing status 328

decision making
consumer expectations of residential aged care 70
decision-making freedom
factors influencing nursing status 328
defence force
spiritual care in military nursing 321
dehydration
oral hydration in older adults S19
delayed diagnosis
focus group study of endometriosis 2
Delphi technique
a Delphi study of nurse entrepreneurs 236
demographic characteristics
elderly patients' nursing needs 191
discharge planning
risks for unplanned readmission 389
donor site
moist wound-healing dressings S9

East Timor
the needs of nurses caring for refugees 183
elderly patient
elderly patients' nursing needs 191
elderly persons
quality-of-life in elderly care 112
endometriosis
focus group study of endometriosis 2
ethical code
nursing ethics and work satisfaction 140
evaluation
group model of supervision for a community mental health team 33
evidence-based practice
evidence-based practice 272
experimental
family carers training in Indonesia 246

fall risk assessment
fall risk assessment 158
family carers
family carers training in Indonesia 246
family
parenting competency framework 368
focus groups
consumer participation in acute care 255

glaucoma
quality of life of elderly Japanese glaucoma patients 18
gynaecological cancer
quality of life in Chinese cancer patients 40

happiness
happiness among school adolescents 166
health care
quality in postoperative pain management 26
health
job stress, coping and health of nurses 86
high-dependency unit
evaluating a new high dependency unit 285
holistic nursing care
spiritual care in military nursing 321
Hong Kong
job stress, coping and health of nurses 86
hospital readmission
risks for unplanned readmission 389

impact
workplace violence in nursing 261
improvement measures
improvement measures from patient data 294
indicators of patient care
restoring critical care patients' health 356
Indonesia
family carers training in Indonesia 246
industry partners
university and industry partnerships 347
infant vaccination
mothers' health and infant vaccination 120
Iran
nursing experience in Iran 78

Japanese questionnaire
quality of life of elderly Japanese glaucoma patients 18

job stress
job stress, coping and health of nurses 86

knowledge
family carers training in Indonesia 246
Kosovo
the needs of nurses caring for refugees 183

leadership characteristics
perspectives of leadership 213
literature review
fall risk assessment tools 223
loss
focus group study of endometriosis 2
low vision
quality of life of elderly Japanese glaucoma patients 18

mental health nursing
group model of supervision for a community mental health team 33
meta-analysis
oral hydration in older adults S19
military nursing
spiritual care in military nursing 321
model of discharge planning programme
risks for unplanned readmission 389
moist wound healing
moist wound-healing dressings S9
mother-child relations
premature infant interaction 374
mother–infant interaction
premature infant interaction 374
multidisciplinary team
risks for unplanned readmission 389

naturopathy
influenza and healthy individuals 382
new graduates
support for new graduates 300
nurse entrepreneurs
a Delphi study of nurse entrepreneurs 236
nurse
the needs of nurses caring for refugees 183
nurse-patient relationship
person-centred practice and older people 202
nurses
psychological status of nurses in Egypt 313
nurses' perceptions
nurses' views of agitated older patients 306
nurses' reality
nurses' views of agitated older patients 306
nursing care
oral hydration in older adults S19
nursing clinical information system
quality improvement and nursing practice 280
nursing experience
nursing experience in Iran 78
nursing home placement
consumer expectations of residential aged care 70
nursing home residents
consumer expectations of residential aged care 70
nursing model
effects of sleep loss: Nursing care model 49
nursing needs
elderly patients' nursing needs 191
nursing practice characteristics
perspectives of leadership 213
nursing practice
consumer participation in acute care 255
nursing research
fall risk assessment 158
nursing status
factors influencing nursing status 328
nursing
quality in postoperative pain management 26
workplace violence in nursing 261

observation
consumer participation in acute care 255
observations
evidence-based practice 272
older patients
nurses' views of agitated older patients 306
older people
person-centred practice and older people 202
older persons
fall risk assessment 158
oncology nursing
quality of life in Chinese cancer patients 40
outcomes of patient care
restoring critical care patients' health 356

pain management
evaluating a new high dependency unit 285

parental care
the impact of thalassaemia on parents 131
parenting competence
parenting competency framework 368
patient data
improvement measures from patient data 294
patient satisfaction
evaluating a new high dependency unit 285
patient selection
principles of recruitment and retention 338
patient-centred care
perspectives of leadership 213
person-centred
person-centred practice and older people 202
phenomenological psychological method
quality in postoperative pain management 26
phenomenological-hermeneutical method
quality in postoperative pain management 26
phenomenology
nursing experience in Iran 78
policy
workplace violence in nursing 261
postoperative care
evaluating a new high dependency unit 285
postoperative complications
evidence-based practice 272
postpartum depression
premature infant interaction 374
post-partum
mothers' health and infant vaccination 120
premature infant
premature infant interaction 374
pressure ulcer
pressure ulcer prevention and treatment 92
primary care nurses
job stress, coping and health of nurses 86
privacy
nursing ethics and work satisfaction 140
private practice nursing
a Delphi study of nurse entrepreneurs 236
psychological well-being
psychological status of nurses in Egypt 313
psychosocial health
mothers' health and infant vaccination 120
pulmonary hypertension
pulmonary thromboendarterectomy in the UK 60
pulmonary thromboendarterectomy
pulmonary thromboendarterectomy in the UK 60
qualifications
factors influencing nursing status 328
qualitative research
nursing issues in residential care 103
quality improvement
quality improvement and nursing practice 280
quality nursing care
evaluating a new high dependency unit 285
quality of care
elderly patients' nursing needs 191
improvement measures from patient data 294
quality of life (QOL)
quality of life of elderly Japanese glaucoma patients 18
quality of life
effects of sleep loss: Nursing care model 49
quality of life in Chinese cancer patients 40
quality-of-life in elderly care 112
Queensland
support for new graduates 300
questionnaires
improvement measures from patient data 294

radiotherapy
rural people treated with radiotherapy 176
refugee health
the needs of nurses caring for refugees 183
regional
rural people treated with radiotherapy 176
registered nurses
nursing issues in residential care 103
regular blood transfusion
the impact of thalassaemia on parents 131
regular childhood admission
the impact of thalassaemia on parents 131
research design
principles of recruitment and retention 338
residential aged care facilities
nursing issues in residential care 103
residential care
consumer expectations of residential aged care 70
restoring
restoring critical care patients' health 356
review
pressure ulcer prevention and treatment 92
risk assessment
fall risk assessment tools 223

risk factors
oral hydration in older adults S19
risks for unplanned readmission 389
role development
a Delphi study of nurse entrepreneurs 236
Royal Australian Air Force
spiritual care in military nursing 321
rural
rural people treated with radiotherapy 176

Safe Haven
the needs of nurses caring for refugees 183
scholarly leadership
perspectives of leadership 213
screening tests
fall risk assessment 158
self-care practices
influenza and healthy individuals 382
self-efficacy
happiness among school adolescents 166
skills
family carers training in Indonesia 246
sleep
effects of sleep loss: Nursing care model 49
social support
happiness among school adolescents 166
sociocultural aspects
nursing experience in Iran 78
specialist centres
pulmonary thromboendarterectomy in the UK 60
specialist nurse
pulmonary thromboendarterectomy in the UK 60
spiritual nursing care
spiritual care in military nursing 321
split skin graft
moist wound-healing dressings S9
staff
quality-of-life in elderly care 112
standards
quality improvement and nursing practice 280
story-telling narrative
perspectives of leadership 213
stress experience
happiness among school adolescents 166
stress
effects of sleep loss: Nursing care model 49
factors influencing nursing status 328
psychological status of nurses in Egypt 313
support
support for new graduates 300
systematic review
moist wound-healing dressings S9

taking control
focus group study of endometriosis 2
thalassaemia
the impact of thalassaemia on parents 131
traditional practice
evidence-based practice 272
training programme
family carers training in Indonesia 246
transition
support for new graduates 300
trivalent influenza vaccination
influenza and healthy individuals 382
trivialization
focus group study of endometriosis 2
trust
university and industry partnerships 347

university
university and industry partnerships 347

values
person-centred practice and older people 202
variations in practice
quality improvement and nursing practice 280
VBAC
women's experiences of Caesarean section and vaginal birth after Caesarean 10
violence
workplace violence in nursing 261
vital signs
evidence-based practice 272

work satisfaction
nursing ethics and work satisfaction 140
workplace
workplace violence in nursing 261
